Land for Cardamom Cultivation.

319. MR. N. P. VARGHESE (*Muvattupuzha I—General*) : Will the Honourable Minister for land be pleased to state :

(*a*) Are Government aware that a large number of applicants who applied under the old cardamom rules to get land for cardamom cultivation deposited the premium and surveyed the land, have been hard hit by the new rules, because retrospective effect was given to it by the fact that they had to surrender the land and the improvements they effected without any compensation; and

(*b*) are Gevernment aware that the promulgation of the new rules has dissuaded people from cardamom cultivation which is one of the most profitable cultivations in the hill districts?

HON'BLE MR. C. KESAVAN :

(*a*) No. The old cardamom rules allowed registry to bonafide applicants for cardamom cultivation. Subsequently Government changed their policy in regard to the assignment of land. Lands occupied bonafide and improved upon are now being leased out to the respective occupants without auction for 12 years under the Kuthakapattom Rules for lease of cardamom lands.

(*b*) No.

MR. N. P. VARGHESE : Do Government intend to revise the rules?

HON'BLE MR. C. KESAVAN : There is no reason why it should be changed.
